Six adjustable coated wire shelves accommodate bottles and cans of various sizes.
- ✓ **Low Maintenance**
Auto defrost system prevents ice buildup and reduces cleaning effort.
- ✓ **Reliable Cooling**
1/4 HP compressor with R290 refrigerant delivers powerful cooling.

PRODUCT OVERVIEW

The CoolEdge Series Back Bar Cooler CEBBC73 provides 19.1 cu. ft. of beverage storage, suitable for bars, restaurants, and catering operations. It features a black metal exterior with three swing glass doors and six adjustable coated wire shelves for organizing bottles and cans. LED interior lighting is included to improve visibility of stored items.

This commercial cooler maintains temperatures between 33°F and 38°F using digital controls with an LED display and includes an auto defrost system. It is powered by a 1/4 HP compressor with R290 refrigerant and operates at 115 V, 60 Hz, 2.8 A, and 300 W. A 9 ft power cord with a NEMA 5-15P plug allows flexible installation in commercial spaces.

Measuring 73 in (W) x 24 in (D) x 35.88 in (H), the unit is certified by ETL and ETL Sanitation for safety and hygiene. It comes with a 6-month parts and labor warranty and a 6-month compressor warranty.
