PRODUCT OVERVIEW

The ProKitchen Series Removable Backsplash is designed for restaurants, catering kitchens, and commercial kitchen preparation areas. Constructed from 430 stainless steel with a silver finish, it measures 72" (L) x 1" (W) x 5" (H). The backsplash features 18-gauge stainless steel construction suitable for commercial kitchen applications.

This removable backsplash is compatible with undercounter coolers, freezers, worktables, and enclosed cabinets. It supports use across multiple commercial kitchen equipment setups used for food preparation, storage, and operational workflows.

The unit features a removable and bolt-on installation type with a pre-drilled design. This structure supports attachment to compatible equipment while allowing removal for maintenance or cleaning activities.

Anti-corrosion and water-proof features are included for commercial kitchen environments exposed to frequent cleaning and moisture. The backsplash is NSF Listed and includes a 1-year warranty by the manufacturer.
