## PRODUCT OVERVIEW

The CECB72 commercial chef base refrigerator is a freestanding unit designed for both refrigerated storage and heavy-duty kitchen use. Built with stainless steel in a silver finish, it accommodates 48 1/6-size pans across four drawers with recessed handles and removable gaskets.

The CECB72 is equipped with an R290 refrigerant system and a digital control panel with LED display, maintaining a temperature range of 33°F–38°F. Its automatic defrost function minimizes frost accumulation, while foamed-in-place insulation ensures stable and consistent cooling performance.

The unit measures 72 in (W) x 32.25 in (D) x 26.62 in (H) and is designed for freestanding installation. Four swivel casters with locks provide mobility and stability for repositioning or secure placement in commercial kitchens.

Certified ETL Sanitation Listed, the refrigerator combines durable stainless steel construction, digital controls, recessed handles, and secure drawers suitable for professional environments. It comes with a 6-month parts and labor warranty, along with 6-month compressor coverage.
