SPECIAL FEATURES

- ✓ **Ample Storage**
Mega top and two adjustable coated wire shelves hold 18 1/6-size pans.
- ✓ **Digital Control**
LED display allows temperature monitoring and adjustment.
- ✓ **Easy Access**
Self-closing doors with recessed handles for smooth operation.
- ✓ **Auto Defrost**
Automatic cycle reduces manual defrosting.
- ✓ **Precise Cooling**
1/5 HP compressor with R290 refrigerant maintains 33°F–41°F.
- ✓ **Durable Build**
Stainless steel body with silver finish and solid swing doors.
- ✓ **Standard Power Compatibility**
115 V, 60 Hz operation with a NEMA 5-15P plug and 9 ft power cord allows versatile freestanding installation.

PRODUCT OVERVIEW

The CoolEdge CESMT48 commercial sandwich and salad prep table is built for commercial kitchens requiring organized ingredient storage and efficient prep space. Its mega top holds 18 1/6-size pans, and two adjustable coated wire shelves provide flexible storage.

Constructed from stainless steel with a silver finish, the unit features two solid self-closing swing doors with recessed handles. A 1/5 HP bottom-mounted compressor using R290 refrigerant maintains consistent cooling within 33°F to 41°F. Digital controls with LED display allow precise temperature management, while the auto-defrost system minimizes maintenance.

Measuring 48.25 in (W) x 31.5 in (D) x 45.75 in (H), the freestanding prep table includes four 4-inch swivel casters with locks for mobility and secure placement. Designed for commercial kitchens, it operates reliably in ambient temperatures up to 100.4°F.

Certified ETL and ETL Sanitation, it is backed by a 6-month parts & labor warranty and a 6-month compressor warranty.
