SPECIAL FEATURES

- ✓ **9" Carbon Steel Blade**
The 9" chrome-plated carbon steel blade provides precise slicing for deli meats and vegetables in commercial kitchens.
- ✓ **Adjustable Slice Thickness**
Slices can be adjusted up to 0.5 in, accommodating various menu requirements in restaurants and cafés.
- ✓ **Sharpener System**
Removable 2-stone dual-action sharpener and built-in blade sharpener maintain cutting performance for consistent results.
- ✓ **Easy Maintenance**
Tool-free removable carriage and center plate allow fast cleaning and upkeep in busy foodservice environments.
- ✓ **Gravity Feed Operation**
Gravity-feed slicing provides controlled handling for safe and uniform portioning of meats and vegetables.
- ✓ **Certified and Covered**
cETLus and cULus listings indicate compliance with commercial kitchen safety standards, and it includes a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The PrepMaster Series 22" Electric Meat Slicer is designed for chefs and foodservice teams in commercial kitchens. It features a 9" chrome-plated 100Cr6 forged carbon steel blade and polished anodized aluminum alloy construction, suitable for slicing deli meats and vegetables. The slicer includes a removable 2-stone dual-action sharpener and built-in blade sharpener for consistent cutting performance.

Operating at 147 W and 120 V with a 1.2 A plug type (NEMA 5-15P), the slicer uses gravity-feed operation for controlled slicing. It has an on/off switch with indicator light and a tool-free removable carriage and center plate for simple maintenance in commercial kitchen environments.

The slicer allows adjustable slice thickness up to 0.5 in, supporting low- to medium-volume operations in cafés, delis, and restaurants. It is easy to disassemble for cleaning and includes a robust design for daily foodservice use.

Finished in silver, the unit measures 22" (L) x 22.4" (W) x 16.56" (H) and weighs 33 lb. It is cETLus and cULus listed for compliance with commercial kitchen safety standards, and includes a 1-year warranty by the manufacturer.
