Parts & Labor: 1 Year

Compressor: 5 Year

SPECIAL FEATURES

- High Ice Capacity**
 Produces up to 800 lb of half cube ice every 24 hours for high-volume restaurant and hospitality operations.
- Dual Compressor System**
 A dual compressor configuration is incorporated into the ice production system for commercial use.
- Automatic Bin Shut-Off**
 The automatic bin shut-off function is integrated into the ice storage system design.
- Large Storage Bin**
 The integrated bin holds up to 1000 lb of ice for banquet halls, hotels, and commercial kitchens.
- Digital Operation**
 Digital controls and a digital display provide operational information for chefs and foodservice staff.
- Certified Coverage**
 The unit is certified to cETLus, ETL Sanitation, and NSF standards and includes a 1-year parts and labor warranty by the manufacturer along with a 5-year compressor warranty.

PRODUCT OVERVIEW

The ProKitchen Series Air Cooled Modular Ice Machine with Bin is designed for restaurants, hotels, banquet kitchens, and high-volume commercial kitchens requiring large-scale ice production and storage. It produces up to 800 lb of half cube ice every 24 hours and includes a 1000 lb storage bin. The unit is constructed from stainless steel and uses an air-cooled condenser with R290 refrigerant. Dimensions are 49.88" (W) x 38" (D) x 73.19" (H).

The ProKitchen Series Air Cooled Modular Ice Machine with Bin operates on 115 V, single-phase power at 60 Hz. It includes a NEMA 5-15P plug and is designed for freestanding installation with adjustable leveling feet. Digital controls and a digital display provide operational information for commercial kitchen staff. The system incorporates a dual compressor configuration.

The ProKitchen Series Air Cooled Modular Ice Machine with Bin produces half cube ice with adjustable ice thickness settings for beverage and foodservice applications. An automatic bin shut-off function is integrated into the 1000 lb storage system. The self-clean system supports routine maintenance, while foamed-in-place polyurethane insulation is incorporated into the bin structure.

The ProKitchen Series Air Cooled Modular Ice Machine with Bin includes accessories such as an ice scooper, water hose, and drain hose for installation and daily operation. The unit is certified to cETLus, ETL Sanitation, and NSF standards for commercial foodservice environments. It includes a 1-year parts and labor warranty by the manufacturer and a 5-year compressor warranty.
