- ✓ **Precise Temperature Control**
Electronic controls provide accurate adjustments for optimal beverage storage.
- ✓ **Simple Installation**
115V, 60Hz, single-phase power with NEMA 5-15P plug offers quick setup.

PRODUCT OVERVIEW

The ChillCore Series CCBC23 Bottle Cooler is built for bars, restaurants, and catering operations that require reliable bottle storage. Made from metal with a black color, this freestanding unit offers long-lasting strength. The 4.9 cu. ft. capacity interior features an adjustable heavy-duty chromed shelf and an aluminum lining, making it suitable for high-traffic foodservice environments.

This commercial bottle cooler includes a glass swing door for easy access. It runs on 115V, 60Hz, single-phase power and draws 1.3 amps. It is equipped with R600a refrigerant with a 1.23 oz capacity for reliable cooling between 32°F and 50°F. The auto defrost system simplifies maintenance, and electronic controls provide precise temperature management. LED lighting enhances product visibility.

Measuring 23.6" W x 20.9" D x 35.2" H, the cooler is supplied with a NEMA 5-15P plug type for easy setup in commercial spaces. This unit is ETL Listed and ETL Sanitation Listed for compliance with foodservice safety standards. It comes with a 6-month warranty for reliable use.
