SPECIAL FEATURES

- ✓ Spacious Capacity**
 Provides 6.3 cu. ft. of storage without compromising the worktop surface, keeping ingredients organized and within easy reach.
- ✓ Reliable Warranty**
 Comes with 1-year parts and labor coverage, plus 1-year compressor protection for added confidence.
- ✓ Backsplash Protection**
 Integrated backsplash shields surrounding walls and surfaces from spills and splashes.
- ✓ Mobile Convenience**
 Four casters make it easy to move the unit around your kitchen or workspace.
- ✓ Wide Ambient Range**
 Operates effectively in ambient temperatures up to 100°F, ideal for busy commercial environments.
- ✓ Sturdy Construction**
 Stainless steel construction with an aluminum back for added strength and longevity.
- ✓ Certified Safety**
 ETL Listed and ETL Sanitation Listed, ensuring compliance with commercial safety and sanitation standards.
- ✓ Powerful Cooling**
 Equipped with a 3/7 HP compressor and R290 refrigerant to maintain consistent freezing temperatures.
- ✓ Easy Access**
 Solid swing door with recessed handle provides simple, ergonomic access to frozen contents.

PRODUCT OVERVIEW

The IceVault Series IVWTF27 worktop freezer is a commercial unit designed for kitchens, bars, and catering operations, providing 6.3 cu. ft. of storage while maintaining a functional worktop surface. This unit features one solid swing door with a recessed handle for easy access. It includes four casters for mobility, allowing repositioning within commercial kitchen spaces.

This commercial worktop prep freezer comes with a built-in backsplash to protect walls and surfaces. Operating with R290 refrigerant and a 3/7 HP compressor, the freezer provides consistent low temperatures for reliable frozen storage. It runs on 115 V, 60 Hz, single-phase power, drawing 3.6 A, with a total power consumption of 235 W, providing reliable and consistent performance in busy commercial kitchens.

A NEMA 5-15P plug is included for convenient connection to power. The temperature range is -7°F to 0°F, suitable for storing frozen items safely, and the unit can operate effectively in ambient temperatures up to 100°F.

The external dimensions are 27 in (W) × 29.5 in (D) × 38.8 in (H), and the body is made of stainless steel and aluminum with a silver finish for a professional look. This worktop prep freezer is ETL Listed and ETL Sanitation Listed. It comes with a 1-year parts and labor warranty and a 1-year compressor warranty for reliable support.
