4 casters with 2 brakes support positioning in retail and commercial kitchen layouts.
- Moderate Capacity**
The 13.41 cb3 capacity with 3 shelves supports organized food merchandising in commercial kitchen setups.
- Multi-Level LED Lighting**
LED lighting at top and under each shelf supports visibility in food display environments.
- Certified Unit**
cETLus Listed, ETL Sanitation Listed, and NSF Certified with a 1-year warranty by the manufacturer.

PRODUCT OVERVIEW

The ChillCore Series Grab Go Refrigerated Merchandiser is designed for commercial kitchen, café, and retail food display applications. It features a freestanding installation type with a vertical curved open air refrigerated design. The unit measures 39.37" (W) x 35.04" (D) x 59.84" (H).

The structure is built with stainless steel and glass in a silver finish. It includes tempered glass at 2 sides for visibility and durability. The unit is equipped with 3 adjustable stainless steel shelves for organized food display in commercial environments.

This unit offers a capacity of 13.41 cb3 and operates with ventilated cooling, a bottom mounted compressor, and R290 refrigerant. It includes automatic defrost, automatic condensate evaporation, and a rear side condenser setup for refrigeration performance.

The temperature range is 35.6°F to 50°F with a digital temperature controller and display. LED lighting is installed on the top and under each shelf. The unit includes a curtain, operates at 110–120 V with 11.8 A and 1220 W power input, and features 4 casters with 2 brakes. It is cETLus Listed, ETL Sanitation Listed, and NSF Certified, and includes a 1-year warranty by the manufacturer.
