WARRANTY

1 Year Parts & Labor

SPECIAL FEATURES

- ✓ **Dual Burners**
Two octagon burners provide a combined output of 50,000 BTU for commercial kitchen cooking tasks.
- ✓ **Countertop Design**
The countertop configuration is suitable for restaurant cooking stations where floor space is limited.
- ✓ **Certified Equipment**
The unit is cETLus Listed, ETL Sanitation Listed, and conforms to NSF standards.
- ✓ **Cast Iron Construction**
Cast iron burners and 12" x 12" cast iron grates are included as part of the cooking surface design.
- ✓ **Manual Controls**
Manual controls are paired with durable brass control valves and cool-to-touch fiberglass nylon knobs.
- ✓ **Warranty Coverage**
It includes a 1-year parts and labor warranty by the manufacturer.

PRODUCT OVERVIEW

The ProKitchen Series Gas Hotplate is designed for restaurants, cafés, and commercial kitchen cooking stations. Constructed from stainless steel with a silver finish, this countertop unit features two octagon burners and a welded frame design. The hotplate includes cast iron grates and cast iron burners for cooking applications in foodservice environments.

The hotplate measures 11.9" (L) x 30" (D) x 13.4" (H). Each burner is equipped with a 12" x 12" cast iron grate, providing support for cookware. The unit includes a full-width crumb tray and a pull-out tray to assist with routine cleaning. Four adjustable heavy-duty legs are included for countertop placement.

This natural gas hotplate delivers a total of 50,000 BTU through two burners rated at 25,000 BTU each. Manual controls with durable brass control valves are used for operation. Cool-to-touch fiberglass nylon knobs are fitted on the front panel. The unit also features a stainless steel standby pilot and a 3/4" NPT rear gas connection.

The hotplate includes a gas regulator and features convertible gas capability. The gas inlet size is 3/4". It is cETLus Listed, ETL Sanitation Listed, and conforms to NSF standards for commercial kitchen applications. The unit includes a 1-year parts and labor warranty by the manufacturer.
