SPECIAL FEATURES

- ✓*
Dual Zone
 Refrigerator and freezer sections operate independently for commercial kitchen and retail food storage.

✓
Digital Control
 Digital thermostat manages separate temperature ranges for refrigeration and freezing operation.

✓
Stable Positioning
 Low-profile casters and leveling feet support positioning in commercial kitchen layouts.
- ✓*
Island Access
 Horizontal island design supports multi-side access for grab-and-go food display environments.

✓
Heavy Duty Build
 Stainless steel bumper guards support durability in high-traffic commercial food service environments.

✓
Warranty Coverage
 It includes a 1-year parts and labor warranty and a 5-year compressor warranty by the manufacturer.

PRODUCT OVERVIEW

The ProKitchen Series 80" Dual Temperature Open Air Island Merchandiser is designed for supermarkets, cafés, and commercial kitchen food display environments requiring combined refrigeration and freezing zones. It features a 10 cubic feet capacity with a horizontal island air curtain configuration for dual-temperature merchandising. The black coated steel exterior supports structured commercial food display layouts.

The unit includes stainless steel bumper guards and two leveling feet for placement stability. The island layout supports accessible refrigerated and frozen product display in commercial kitchen and retail environments.

This freestanding merchandiser operates on 110 volts, 60 hertz, and 1 phase electrical supply. It uses a self-contained refrigeration system with R-290 refrigerant and digital controls. The refrigerator section operates at 33°F to 42°F, while the freezer section operates at -8°F to 0°F. The system includes (2) 1 1/8 horsepower compressors for dual-temperature performance.

The unit includes four low-profile casters and a 70-inch power cord with NEMA 5-30P plug. Overall dimensions are 81.9" (L) x 41.2" (W) x 35.8" (H), with an interior size of 70.9" (W) x 29.2" (D) x 8" (H). It includes a 1-year parts and labor warranty and a 5-year compressor warranty by the manufacturer. The merchandiser is certified by cETLus, ETL Sanitation, and NSF.
