SPECIAL FEATURES

- ✔ **A Complete Ice Cream Shop on Wheels**
The SoftServe™ 14 FT Ice Cream Trailer gives you a fully engineered, professional mobile dessert business, ready to serve soft serve, sundaes, milkshakes, cones, floats, rolled ice cream, frozen yogur
- ✔ **Perfect for Family & Event Environments**
Performs exceptionally well at festivals, amusement parks, stadiums, fairs, tourist locations, school events, beach areas, food parks, and seasonal attractions.
- ✔ **Temperature & Hygiene Performance**
Designed to maintain food-safe temperature control and hygienic operation to protect ice cream quality and customer safety.
- ✔ **Financing Available**
Start your ice cream business sooner with flexible monthly payment plans.
- ✔ **Built for High-Volume Sales**
Designed for continuous operation at busy events and locations, supporting high-output soft serve machines, topping stations, refrigeration, and efficient service flow.
- ✔ **Commercial Grade & Health Code Ready**
Includes hand sink, 3-compartment sink, stainless workspace, plumbing system, fresh/waste tanks, and power integration, built to meet standard mobile food safety requirements (local code dependent).
- ✔ **Flexible Concepts**
Suitable for ice cream brands, new startups, family-run dessert businesses, mobile franchises, and restaurant expansion programs.

PRODUCT OVERVIEW

The SoftServe™ 14 FT Ice Cream Trailer is designed for entrepreneurs, families, and dessert brands looking to launch a profitable mobile ice cream business. It eliminates challenges such as unreliable fabrication, incorrect layouts, and health code issues by providing a fully equipped, ready-to-operate ice cream trailer.

Engineered for professional ice cream operations, the trailer supports soft serve machines, freezer storage, topping stations, prep counters, sinks, plumbing, electrical integration, and temperature control. Its workflow-based layout ensures smooth movement, fast order handling, and efficient service during busy periods.

Constructed with heavy-duty reinforced materials, food-safe interior finishing, and non-slip flooring, the trailer is built for daily real-world business use. It is suitable for seasonal operation, year-round city service, event vending, or branded franchise expansion, providing consistent performance in demanding environments.

Includes: Soft serve setup compatible with dual or single head machines, undercounter refrigerator and freezer options, topping station with syrup/sauce setup, hand sink with 3-compartment sink, fresh and waste water tanks, and non-slip commercial flooring.
