Equipped with four heavy-duty casters with brakes for easy movement and stability.
- ✓ **Certified Safety**
ETL listed and ETL sanitation listed for safety compliance in commercial use.
- ✓ **Warranty Coverage**
Includes 1-year warranty.

PRODUCT OVERVIEW

The IceVault Series undercounter refrigerator is designed for restaurants, cafés, and commercial kitchens requiring compact cold storage. It features stainless steel and aluminum construction with a silver finish, supporting durability in daily use. With a 5 cb3 capacity, it supports essential storage needs. The unit includes one solid, self-closing door with right hinge and recessed handle, supporting controlled access and routine operation.

It operates on 115 V, 1 phase power with 1.8 A and 0.33 HP, supporting standard commercial electrical setups. The NEMA 5-15P plug type aligns with common outlets. The temperature range of 33°F to 40°F supports refrigerated food holding. It uses R290 refrigerant, and the side-mounted compressor with side/rear breathing supports airflow. The adjustable PVC-coated shelf supports internal organization.

The unit measures 27" (W) x 30" (D) x 35" (H), supporting undercounter placement in compact layouts. It includes four heavy-duty casters with brakes, supporting mobility and positioning. The interior features stainless steel construction, supporting cleaning routines. The product weight is 158 lb, with a shipping weight of 180.7 lb. It includes a 1-year warranty by the manufacturer.

Condition: Unit is damaged on the back corner, scratches on the top. No pallet, no packaging.
