WARRANTY

Parts & Labor: 2 Years
Compressor: 6 Years

SPECIAL FEATURES

- ✓ **Commercial Storage Capacity**
Spacious 36 cubic feet interior with six epoxy-coated wire shelves provides extensive storage for commercial kitchen operations.
- ✓ **Durable Construction Quality**
Full stainless steel construction inside and out ensures long-lasting durability and professional appearance with silver finish.
- ✓ **Easy Access Design**
Two solid swing doors with magnetic gaskets provide secure seal and convenient access to stored items.
- ✓ **Mobile Functionality**
Mounted on casters for effortless mobility and repositioning within commercial kitchen spaces.
- ✓ **Safety Certified**
ETL Listed and ETL Sanitation Listed certifications ensure compliance with safety and hygiene standards.
- ✓ **Premium Temperature Control**
Maintains consistent -8°F to 0°F temperature range with precision ventilated refrigeration system and electronic control panel.
- ✓ **Energy Efficient Cooling**
3/4 HP self-contained compressor uses eco-friendly R-290 hydrocarbon refrigerant with auto defrost functionality.
- ✓ **Enhanced Visibility**
LED lighting system ensures clear visibility of stored contents throughout the entire cabinet.
- ✓ **Comprehensive Warranty Protection**
Includes 2-year parts and labor warranty plus extended 6-year compressor warranty for long-term reliability.
- ✓ **Simple Power Requirements**
Operates on standard 115V power with 5.9-foot cord and NEMA 5-15P plug for easy installation.

PRODUCT OVERVIEW

This 48-inch wide reach-in freezer is built for commercial kitchens that need dependable cold storage with high performance. Made from stainless steel inside and out, it has a silver finish and offers 36 cubic feet of storage across six epoxy-coated steel wire shelves. It features two solid swing doors (hinged left/right) with magnetic gaskets for a tight seal and is designed for freestanding installation.

Powered by a 3/4 HP top-mounted, self-contained compressor, this freezer uses R-290 hydrocarbon refrigerant and features a precision ventilated refrigeration system with auto defrost. It maintains a consistent temperature range of -8°F to 0°F, controlled via a reliable electronic control panel.

The unit operates on 115V, 60 Hz, single-phase power, drawing 5.2 amps, and connects with a NEMA 5-15P plug using a 5.9-foot power cord. LED lighting provides clear visibility inside, where the cabinet measures 43.7" W x 25" D x 55" H. Mounted on casters for easy mobility, the unit has two sections, door access, and is built for efficient storage and use. Its overall dimensions are 48" W x 31.5" D x 78" H.

Certified ETL Listed and ETL Sanitation Listed, this reach-in freezer is backed by a 2-year parts & labor warranty and a 6-year compressor warranty for added peace of mind.
