SPECIAL FEATURES

- ✓ **Ample Capacity**
8 qt capacity supports serving medium portions during restaurant banquets and catered events.
- ✓ **Complete Setup**
Includes a chafer, two full-size pans, catering warmer server, lid, water pan stand, and fuel holder, supporting organized food service during large gatherings.
- ✓ **Warranty Coverage**
1-year manufacturer warranty offers structured support for commercial operators.
- ✓ **Durable Build**
Stainless steel construction with a rose gold finish provides durability suited for commercial kitchens and hospitality venues.
- ✓ **Commercial Appearance**
Rose gold finish contributes to a formal presentation for weddings, parties, and banquet-style setups.

PRODUCT OVERVIEW

The ChefPro Series Dish Buffet Set HZ-433 is ideal for restaurants, catering teams, banquet halls, and commercial kitchens managing organized food service at parties or weddings. It is made of stainless steel with a rose gold finish, offering a structured build for repeated serving tasks. The set features an 8 qt capacity, giving space for serving medium-volume dishes during events.

This dish buffet set is designed as a full buffet solution and comes with a stainless steel chafer and 2 full-size pans, supporting standard catering layouts. It includes a rectangle catering warmer server that maintains food temperature during service. The unit weighs 18 lb, suitable for stable placement on buffet counters. The unit includes a 1-year warranty by the manufacturer for added support.
