WARRANTY

1 Year Parts & Labor

SPECIAL FEATURES

- ✓ **Variable Speed Range**
The 600–2800 RPM range with standard speed control supports different food preparation tasks in a commercial kitchen.
- ✓ **High-Efficiency Motor**
The 0.5 HP ventilated motor operates at 600 W with 350 W motor wattage for electric food processing.
- ✓ **Certified Compliance**
ETL Sanitation Listed, cETLus Listed, NSF Certified, and cULus Listed for commercial kitchen standards.
- ✓ **Durable Construction**
Die-cast and extruded aluminum body with an 18/10 stainless steel bowl supports daily restaurant food handling.
- ✓ **Integrated Safety Switches**
A safety micro-switch on the lid and a micro-switch on the lever regulate operation during use.
- ✓ **Included Warranty**
It includes a 1-year warranty by the manufacturer covering parts and labor.

PRODUCT OVERVIEW

The PrepMaster Series Food Processor is designed for chefs and food preparation staff in a commercial kitchen environment. It features a 5 liter bowl capacity with a working range of 3.1–5.3 liters and operates with a 0.5 HP high-efficiency ventilated motor at 120 V, 1 phase electric power. The unit runs at 600–2800 RPM with standard speed control for various food handling tasks.

Constructed from die-cast and extruded aluminum in a silver finish, it includes an 18/10 stainless steel bowl with handles and a heat-diffusing base. The motor and bowl are configured side-by-side for structured workstation placement. Overall dimensions are 18" (L) x 12" (W) x 12" (H), and the unit weighs 32 lb.

This electric food processor operates at 2 A with 600 W wattage and 350 W motor wattage. It uses a NEMA 5-15P plug for connection. The Tritan transparent lid includes an ingredient feeding opening, supporting continuous prep in restaurants and catering kitchens. Strong cutlery steel blades are included for food processing applications.

Safety features include a micro-switch on the lid and a micro-switch on the lever. The unit is BPA-free and includes a spatula and sharpening stones. It is ETL Sanitation Listed, cETLus Listed, NSF Certified, and cULus Listed. It includes a 1-year warranty by the manufacturer covering parts and labor.
