PRODUCT OVERVIEW

The IceVault Series IVWTR27 worktop refrigerator is a commercial unit providing 6.3 cubic feet of compact under-counter storage for ingredients and beverages in kitchens, bars, and catering operations. This commercial unit features one solid swing door with a recessed handle for secure and convenient access.

The unit comes with a backsplash to protect walls from spills and splashes. The interior temperature is maintained between 33°F and 40°F, and the unit can tolerate ambient temperatures up to 100°F. The refrigerator operates with a 1/3 HP compressor on 115 V, 60 Hz, single-phase power, drawing 1.8 A and 210 W, with a NEMA 5-15P plug.

This commercial worktop fridge is equipped with 4 casters, allowing easy movement and repositioning within the kitchen. The external dimensions are 27 in (W) × 29.5 in (D) × 38.8 in (H), and it is constructed from stainless steel and aluminum. It is ETL Listed and ETL Sanitation Listed and comes with a 1-year parts and labor warranty and a 1-year compressor warranty.
