- ✓ **Adjustable Shelving**
Fifteen epoxy-coated wire shelves can be repositioned to accommodate different product sizes.
- ✓ **Auto Defrost**
Integrated system that helps in reducing frost buildup.
- ✓ **Stable Mobility**
Six casters with swivel front locking casters provide secure placement and easy movement.
- ✓ **Warranty Coverage**
Includes 6-month parts and labor warranty plus 6-month compressor protection.

PRODUCT OVERVIEW

The CoolEdge Series CEMR78 commercial merchandising refrigerator is a freestanding unit with a black metal exterior and three swing-style glass doors. Measuring 78 in (W) x 31.87 in (D) x 80.37 in (H), it offers 69.4 cu. ft. of capacity and includes fifteen adjustable epoxy-coated wire shelves for flexible product organization.

A bottom-mounted compressor with 1/2+ HP and 602 W power uses R290 refrigerant to support a temperature range of 33°F to 40°F. The unit operates on 115 V, 60 Hz, single-phase power, drawing 6.02 A through a NEMA 5-15P plug with a 9 ft power cord. Auto defrost is included to reduce manual maintenance.

The refrigerator features interior LED lighting for clear product visibility, paired with a digital control type and LED display for precise temperature management. The three swing glass doors provide smooth accessibility and make it suitable for merchandising in commercial environments.

For mobility, the design incorporates six casters, including swivel front locking casters, ensuring secure placement and ease of movement. Certified ETL Listed and ETL Sanitation Listed, the unit complies with commercial safety and sanitation standards. Warranty coverage includes 6 months parts and labor and 6 months compressor protection.
