Mounted on 4 casters for easy repositioning.

PRODUCT OVERVIEW

The ChillCore Series CCRR27 Reach-In Refrigerator is a high-performance cold storage solution built for the demands of commercial kitchens. Constructed from stainless steel exterior and interior, this silver-finished commercial refrigerator offers long-lasting reliability. It has a 20 cu. ft. capacity and provides ample storage space for perishable goods. The solid swing, right-hinged door design with a keyed lock keeps contents secure.

The unit operates with an electric control system and uses R-290 refrigerant. It maintains a precise temperature range of 33°F to 41°F, ideal for food preservation. The refrigerator is powered by 115V, 60 Hz, single-phase electricity and is equipped with a NEMA 5-15P plug for simple installation. Inside, the 4 adjustable shelves offer flexibility for organizing different food items.

This freestanding refrigerator measures 26.9 in (W) x 32 in (D) x 81.9 in (H) and comes with 4 casters for easy mobility and repositioning. This commercial reach-in refrigerator is ETL Listed and ETL Sanitation Listed, meeting industry standards for safety and hygiene. Backed by a 6-month warranty, it is a dependable choice for restaurants, hotels, and catering services.
