SPECIAL FEATURES

- ✓ **Spacious Storage**

Offers 9 cu. ft. of refrigerated space to keep ingredients organized and within easy reach.
- ✓ **Durable Construction**

Stainless steel construction with an aluminum back for added strength and longevity.
- ✓ **Easy Maintenance**

Features an easy-clean condenser coil to simplify routine upkeep.
- ✓ **Certified Safety**

ETL-listed and ETL-sanitation listed for commercial use.
- ✓ **Organized Drawer Access**

Two drawers provide structured, convenient storage for efficient workflow.
- ✓ **Precise Temperature Control**

Maintains a consistent 33°F–40°F range with electronic controls for reliable food safety.
- ✓ **Effortless Mobility**

Four casters allow smooth repositioning for flexible kitchen layouts.
- ✓ **Warranty Coverage**

Includes a 1-year parts and labor warranty and a 1-year compressor warranty.

PRODUCT OVERVIEW

The IceVault Series IVCBR52 is one of commercial refrigeration chef bases, designed for restaurants, hotels, and catering operations. It offers 9 cu. ft. of refrigerated storage with two drawers, providing organized access to ingredients during busy service. The exterior is stainless steel and aluminum, while the interior is stainless steel, ensuring long-lasting durability in demanding commercial kitchens.

This commercial refrigeration chef base maintains a consistent 33°F–40°F temperature range with electronic controls for precise temperature management. It uses R290 refrigerant and operates on 115 V, 1-phase, 60 Hz power, powered by a 1/3 HP compressor drawing 4.5 A.

Equipped with a NEMA 5-15P plug, the unit allows easy electrical connection. An easy-clean condenser coil simplifies maintenance, and four casters provide smooth mobility. The dimensions are 51.9 in (W) x 32.1 in (D) x 25.9 in (H).

This commercial refrigeration chef base is ETL-listed and ETL-sanitation listed for safety compliance. The warranty coverage includes 1 year for parts and labor and 1 year for the compressor.
