PRODUCT OVERVIEW

The KitchenCore Series Countertop Gas Hot Plate KCCH12 is a stainless steel unit in a silver finish, designed for commercial kitchens such as restaurants, hotels, and catering operations.

This commercial countertop gas hot plate is equipped with two cast iron burners, each rated at 26,300 BTU/hr, providing a total output of 52,600 BTU/hr. Operation is manual through heavy-duty metal knobs with heat protection grips. The hot plate is NSF-listed and ETL-listed for commercial compliance.

It operates on liquid propane and connects via a 3/4 in gas inlet, with an inlet gas pressure of 11 inches W.C. The product measures 12 in (L) x 30 in (W) x 14 in (H). It comes with a 1-year parts and labor warranty.
