WARRANTY

**10-Year Panel, 1 Year
Door Parts**

SPECIAL FEATURES

- ✓ **Durable Construction**
Made from 24-gauge white galvanized steel for long-lasting structural strength.
- ✓ **Secure Panel Fit**
Modular cam-lock and tongue & groove panels create a precise seal, minimizing air leakage.
- ✓ **Safe and Reliable Power**
Hardwired plug type delivers a stable electrical connection for uninterrupted operation.
- ✓ **Reliable Warranty**
10-year panel and 1-year door parts warranty for long-term performance.
- ✓ **Consistent Cooling**
4-inch polyurethane insulation with R-28 thermal resistance and a self-closing, flush-mounted door maintain stable interior temperatures even during frequent access.
- ✓ **Stable Flooring**
Floor provides structural support and simplifies maintenance during everyday operations.
- ✓ **Certified Quality**
UL Listed US, NSF Listed, and DOE compliant to meet safety, energy, and performance standards.

PRODUCT OVERVIEW

The PolarBox Series Walk-In Cooler Box is a refrigeration unit made in America, ideal for commercial cold storage applications. Constructed from 24-gauge white galvanized steel, it provides durable performance. The 4-inch polyurethane insulation with R-28 thermal resistance helps maintain consistent cooling, while the floor adds stability and easy maintenance for everyday operations.

This model features a 77-inch high solid swing door with a keyed lock and self-closing, flush-mounted design to maintain interior temperature during frequent access. The modular cam-lock and tongue & groove panels create a precise seal that minimizes air leakage. CFC and HFC-free insulation material contributes to environmental compliance and energy efficiency. This commercial walk-in cooler box measures at 6 ft (W) x 6 ft (D) x 7 ft (H).

Operating on a hardwired plug type, this unit includes one solid door for efficient entry. Certified UL Listed US, NSF Listed, and DOE compliant, it upholds safety and performance standards. It comes with a 10-year panel warranty and a 1-year parts warranty on doors, offering long-term reliability and structural integrity.
