SPECIAL FEATURES

- ✓

Compact Cold Storage

18 cu ft capacity supports refrigeration needs in commercial kitchen and food storage environments.
- ✓

Adjustable Storage System

Rail-based shelf system with 4 adjustable shelves supports flexible food organization.
- ✓

Certified Construction

cETLus Listed and ETL Sanitation Listed with compliance to UL & NSF standards.
- ✓

Digital Temperature Control

36°F to 47°F range maintained through digital temperature control for refrigerated storage applications.
- ✓

Bottom-Mounted Compressor

1/8 HP bottom-mounted compressor supports accessible maintenance and space-efficient layout.
- ✓

Mobile Installation

4 caster system with brake configuration supports movement within commercial kitchen layouts.

PRODUCT OVERVIEW

The ProKitchen Series Reach-In Refrigerator is designed for commercial kitchen cold storage, food service operations, and restaurant refrigeration requirements. Constructed in painted steel with gray, white side panels, and a black front finish, the unit measures 30.7" (W) x 30.8" (D) x 74" (H). It operates on a 110V electric power supply with 1.7A current, 133W wattage, and a 5.83 ft power cord fitted with a NEMA 5-15P plug.

This reach-in refrigerator provides 18 cu ft capacity with a single solid swing door featuring a field-reversible design and stainless steel handle. The interior includes HIPS (High Impact Polystyrene) lining with LED lighting for visibility during food storage and handling.

The unit operates within a temperature range of 36°F to 47°F using a digital temperature control system. It includes a bottom-mounted 1/8 HP compressor using R-290 refrigerant and automatic defrost operation for routine refrigeration cycles.

Interior storage includes 4 adjustable shelves plus 1 half-size bottom shelf with rail-based adjustable system. Shelves are PVC-coated steel with multiple depth options. Includes removable snap-in gasket and door lock for controlled access. Supported by 4 casters (2 with brakes). cETLus Listed, ETL Sanitation Listed, conforms to UL & NSF standards. Includes 1-year parts & labor warranty. Designed for commercial use with easy maintenance and mobility.
