GIANNINO

Craft You See, Ease You Experience.

Named after the Italian cycling legend, the new Giannino espresso grinder embodies Rocket's blend of performance and design.

Compact yet powerful, it suits both home and small business use.

Featuring 55 mm flat burrs with a screwless alignment system, a micrometric adjustment knob, and three programmable doses via touchscreen, it offers precision and ease.

Available in four finishes: Black/Chrome, Black/Wood, Chrome/Black, and Chrome/Wood.
