Constructed using stainless steel material with silver finish for commercial kitchen installation use.

✓ **NSF Certified**
NSF Certified design supports commercial kitchen hygiene and installation compliance requirements.

✓ **Warranty Coverage**
It includes a 1-year manufacturer warranty for manufacturing coverage.

PRODUCT OVERVIEW

The ProKitchen Series Double Wall Mounting Bracket is a commercial kitchen support accessory designed for restaurant, hotel, and food service storage systems. It is used for securing shelving structures in wall-mounted installations within commercial kitchen environments.

The unit is constructed using stainless steel material with a silver finish. It features a compact bracket design with pre-drilled screw holes and waterproof construction, supporting structured wall mounting applications in food service storage setups.

This double wall mounting bracket has dimensions of 2.75" (L) x 14" (W) x 3.5" (H). It is compatible with adjoining chrome wire shelving systems, supporting integration within commercial kitchen storage configurations.

It includes screws for installation and is designed for wall mounted application use. The unit is NSF Certified and includes a 1-year manufacturer warranty.
