SPECIAL FEATURES

- Spacious Storage**
 22 cubic ft. capacity supports efficient organization of ingredients and supplies.
- Generous Prep Area**
 72-inch wide by 10-inch deep cutting board offers ample workspace for sandwich and salad prep.
- Effortless Mobility**
 Five swivel casters, three with brakes, make repositioning simple without heavy lifting.
- Secure Access**
 Three solid swing doors provide controlled entry, keeping contents protected while easy to reach.
- Reliable Cooling**
 Digital temperature controls with R-290 refrigerant and auto defrost maintain consistent storage conditions.
- Certified Safety**
 ETL Listed, ETL Sanitation Listed, and DOE Certified to meet industry safety and sanitation standards.

PRODUCT OVERVIEW

The ChillCore Series CCSPT72 Sandwich and Salad Prep Table is ideal for restaurants and foodservice operations that need organized storage and preparation space. Built with stainless steel in a silver finish, it offers a 22 cb3 capacity accessible through 3 solid swing doors. The unit accommodates up to 18 pans in 1/6 size format, making it practical for keeping fresh ingredients ready.

This three shelves prep table is ETL Listed, ETL Sanitation Listed, and DOE Certified, making it suitable for commercial use. Measuring 72 (W) x 30 (D) x 36 (H) inches, this restaurant sandwich cooler features a 72-inch wide cutting board with a 10-inch depth for preparation. The digital temperature control maintains a consistent storage environment, supported by an auto defrost function that minimizes manual cleaning.

Its solid door design protects contents, and a digital control interface makes operation simple. A height of 44 inches with casters allows easy placement and mobility when needed. The bottom-mounted compressor operates with side and rear breathing, paired with R-290 refrigerant for reliable cooling. Five casters provide movement flexibility, while the keyed swing doors secure access. Running at 115 V and 60 Hz with 191 W power, the cooler offers stable performance for daily service.

The unit comes with a 1-year warranty included, providing essential coverage for regular commercial use.
