Keyed lock protects contents during and after operation.
- ✓ **Warranty Protection**
1-year parts and labor and 1-year compressor coverage offers reliable operation.

PRODUCT OVERVIEW

The IceVault Series IVBBCS48 Back Bar Cooler is a freestanding commercial refrigeration unit designed for bars, restaurants, and catering operations, offering 11 cubic feet capacity for chilled beverages and ingredients. It features 2 glass swing doors with a keyed lock for secure access.

This commercial back bar cooler includes 4 adjustable PVC-coated shelves to organize contents efficiently. Self-closing doors and integrated LED lighting enhance visibility and accessibility of stored items.

The unit operates on R290 refrigerant with a 3/7 HP compressor, running on 115 V, 60 Hz, single-phase power, drawing 2.88 A, and uses a NEMA 5-15P plug. The temperature range of 33°F to 40°F maintains consistent refrigeration for commercial use. Measuring 48.8 in (W) × 24.4 in (D) × 35.6 in (H), the cooler features a stainless steel interior and a black vinyl-coated steel exterior.

This back bar cooler fridge is ETL Listed and ETL Sanitation Listed, and comes with a 1-year parts and labor warranty along with a 1-year compressor warranty.
