SPECIAL FEATURES

- Large Capacity**
 21 cu ft interior supports high-volume beverage storage for bars, lounges, and restaurants using a commercial back bar refrigerator.
- Clean Appearance**
 Black vinyl-coated exterior provides a professional front-of-house finish.
- Flexible Storage**
 Four adjustable PVC-coated shelves accommodate bottles, cans, and larger drink containers.
- Secure Storage**
 Keyed lock helps protect inventory during closed hours or limited-access periods.
- Certified Safety**
 ETL Sanitation Listed and cETLus certifications support foodservice and electrical compliance.
- Durable Build**
 Stainless steel interior walls, floor, and ceiling support daily commercial use.
- Bright Visibility**
 LED lighting helps staff quickly locate beverages during service hours.
- Smooth Access**
 Two swing glass doors offer clear visibility and quick reach during peak service.
- Stable Cooling**
 Electronic controls maintain consistent temperatures from 33°F to 40°F.
- Warranty Support**
 Includes a 1-year parts & labor warranty and a 1-year compressor warranty.

PRODUCT OVERVIEW

The IceVault Series IVBBG69 Back Bar Refrigerator is designed for bars, lounges, and restaurants that require dependable capacity for high-volume beverage service. With a 21 cu ft interior, this glass door back bar cooler supports organized storage for bottled and canned drinks in busy commercial environments.

Its vinyl-coated black exterior provides a clean, professional appearance suited for front-of-house placement, while the stainless steel interior walls, floor, and ceiling offer reliable durability. The unit measures 69" (W) × 28" (D) × 36" (H) and includes a stainless steel countertop, LED lighting, and adjustable PVC-coated shelves for flexible product arrangement.

This back bar fridge operates on 115 V, 3.5 A, 1 phase, and 3/7 HP, using eco-friendly R-290 refrigerant. Electronic controls maintain a stable 33°F to 40°F holding range suitable for beverage service. Auto defrost and an NEMA 5-15P plug support standard commercial operation.

The refrigerator includes two swing glass doors, heavy-duty shelving, and a keyed lock for product security. It is certified ETL Sanitation Listed and cETLus, and comes with a 1-year parts & labor warranty and a 1-year compressor warranty.
