Includes 6-month parts & labor warranty and 6-month compressor warranty.
- ✓ **Precise Temperature Control**  
Digital control panel with LED display maintains a temperature range of 0°F to -8°F.

✓ **Efficient Cooling**  
Bottom-mounted 3/4 HP compressor with eco-friendly R290 refrigerant ensures consistent performance.

✓ **Bright Interior**  
LED lighting provides clear visibility of stored products.

✓ **Safety Certified**  
ETL Listed and ETL Sanitation certified.

✓ **Easy Mobility**  
Four 5-inch locking swivel casters allow secure placement and movement.

## PRODUCT OVERVIEW

The CoolEdge Series CERF28 Reach-In Freezer is built for reliable frozen storage in commercial kitchens, restaurants, and catering operations. Finished in silver stainless steel, it offers durability and professional style. With a 16 cubic feet capacity and a solid swing, self-closing door, it provides dependable storage for frozen ingredients and prepared items.

The commercial freezer maintains a consistent temperature range of 0°F to -8°F, managed by a digital control panel with LED display. Its bottom-mounted 3/4 HP compressor uses R290 refrigerant for efficient cooling, while the auto-defrost system reduces manual maintenance. Inside, four adjustable shelves offer flexible storage arrangements, illuminated by bright LED lighting.

This freestanding stainless steel unit is designed with durability and convenience in mind. Measuring 27.5 in (W) × 32.62 in (D) × 83.5 in (H), it includes four 5-inch locking swivel casters for mobility and stability, plus a 9 ft power cord with a NEMA 5-20P plug for quick installation. It operates at 115V, 9.5A, 750W, 60Hz, and performs reliably in ambient temperatures up to 100.4°F.

Backed by ETL Listed and ETL Sanitation certifications, and a 6-month parts & labor warranty plus 6-month compressor warranty, the CoolEdge CERF28 delivers safe, dependable frozen storage for professional foodservice environments.
