SPECIAL FEATURES

- ✓ **Slanted Glass Design**
Slanted glass panel provides a clear viewing angle for bakery items in a commercial kitchen display.
- ✓ **Dual Hinged Doors**
Two hinged glass doors support direct access for loading and serving in food handling operations.
- ✓ **Certified Standards**
cETLus Listed, ETL Sanitation Listed, and NSF Certified specifications align with commercial kitchen requirements.
- ✓ **LED Lighting**
LED lighting on the top and undershelf supports illumination of baked goods during service in cafés and restaurants.
- ✓ **Large Capacity**
5.2 cb3 capacity supports display of a higher volume of baked goods in a restaurant or café setting.
- ✓ **Warranty Coverage**
It includes a 1-year warranty by the manufacturer covering parts and labor.

PRODUCT OVERVIEW

The ChillCore Series Bakery Display Case is a countertop unit designed for bakeries, cafés, and foodservice operators in a commercial kitchen. Constructed with stainless steel and glass in a silver and clear finish, it supports structured food display and handling. The rectangular shape with a slanted glass panel design provides a clear viewing angle for front counter presentation.

With a capacity of 5.2 cb3, this dry (non-refrigerated) display case is intended for ambient storage of baked goods and pastries. It includes 2 shelves that allow organized placement and separation of items during service. The glass door construction supports visibility, while LED lighting on the top and undershelf provides illumination of displayed items.

The unit features a hinged door style with 2 glass doors, allowing direct access for loading and serving. It includes plates and a light switch as part of its features, supporting operational use in a commercial kitchen. The access type supports standard food handling workflows in cafés and restaurant counters.

This countertop unit measures 38.8" (W) x 17.9" (D) x 20.3" (H), making it suitable for wider counter placement. It operates on 115 V, 1 phase, 7.7 A, and 60 Hz electrical specifications. It has a product weight of 76 lb and is cETLus Listed, ETL Sanitation Listed, and NSF Certified, indicating compliance with commercial standards. It includes a 1-year warranty by the manufacturer covering parts and labor.
