1 Year Warranty

SPECIAL FEATURES

- 18-Pan Top Capacity**
 The standard top accommodates up to 18 full-depth 1/6-size pans, keeping a wide range of sandwich and salad ingredients within easy reach during service.
- Self-Closing Doors**
 Three self-closing doors with a 90-degree stay-open feature allow staff to work hands-free while maintaining access to refrigerated contents during high-paced prep.
- Certifications**
 ETL Listed and ETL Sanitation Listed certifications indicate this unit meets established safety and food sanitation standards required in commercial kitchen and restaurant environments.
- Capacity**
 With 21.2 cubic feet of refrigerated cabinet space and three adjustable, epoxy-coated shelves, the interior supports organized storage of bulk ingredients alongside the top rail.
- EC Fan Motor**
 The EC fan motor and automatic evaporation fan stop — which halts airflow whenever a door is opened — support stable temperature maintenance inside the cabinet.
- Mobility with Brakes**
 Four heavy-duty casters with brakes allow the unit to be moved for cleaning or kitchen reconfiguration and locked firmly in position during use.

PRODUCT OVERVIEW

The Frigomax Series 72-inch Sandwich and Salad Prep Table is a freestanding, three-door refrigerated prep unit suited for commercial kitchens, delis, sandwich shops, and restaurant prep lines requiring organized, accessible cold storage during active food preparation.

Measuring 30" (L) x 72 11/16" (W) x 42 5/8" (H), this unit holds up to 21.2 cubic feet of refrigerated space and accommodates 18 full-depth 1/6-size pans across its standard top, keeping ingredients at a consistent temperature range of 33°F to 41°F. The electronic controls allow straightforward temperature management, while the single-phase, 115V, 60Hz electrical connection draws just 2.1 amperes and plugs into a standard NEMA 5-15P outlet.

The three self-closing doors feature a 90° stay-open position for hands-free access. An integrated evaporation fan stop function halts the fan when a door opens, supporting consistent temperature retention. The EC fan motor ensures efficient operation, while the 1/4 HP compressor powers reliable refrigeration through demanding shifts. Three adjustable epoxy-coated shelves allow flexible organization, with cutting boards and pans available as accessories.

Finished in silver stainless steel for durability and easy cleaning, this unit features four heavy-duty casters with brakes for repositioning and secure locking. The Frigomax Series Sandwich and Salad Prep Table carries ETL Listed and ETL Sanitation Listed certifications, meeting recognized food safety and electrical standards. A 1-year warranty is included.
