10-Year Panel, 1 Year
Door Parts

SPECIAL FEATURES

- ✓ **Durable Build**
Made from white galvanized steel with a 24-gauge thickness.

✓ **Secure Access**
Solid swing door with a keyed lock and flush-mounted, self-closing design prevents temperature loss while controlling access.

✓ **Environment-Safe Material**
Constructed using CFC and HFC-free insulation material for eco-conscious operation.

✓ **Flexible Installation**
Comes without a floor, allowing adaptable installation based on site requirements.
- ✓ **Precision Panel Fit**
Modular cam-lock and tongue & groove panel design allow tight connections that help maintain consistent insulation.

✓ **High Thermal Rating**
Features an R-28 thermal resistance that supports energy-efficient performance.

✓ **Certified Safety Standards**
UL Listed US, NSF Listed, and DOE compliant for verified quality and reliability.

✓ **Warranty Protection**
Supported by a 10-year panel warranty and a 1-year parts warranty on doors for dependable coverage.

PRODUCT OVERVIEW

The PolarBox Series Walk-In Cooler Box is ideal for commercial kitchens, food storage areas, and other setups requiring stable, efficient cold containment. Made in America, it is constructed from 24-gauge white galvanized steel and measures 6 ft (W) x 8 ft (D) x 7 ft (H). Modular cam-lock and tongue & groove panels provide precise alignment, minimizing air leakage for consistent internal temperatures.

The cooler box includes 4-inch thick polyurethane insulation with an R-28 thermal resistance. Its CFC and HFC-free material supports environmentally safe operation. Certified UL Listed US, NSF Listed, and DOE compliant, the unit meets established safety and performance standards for dependable commercial use. A solid swing door with a keyed lock and flush-mounted, self-closing design provides secure and efficient access while preventing temperature loss.

Designed without a floor for flexible installation and hardwired for operation, this commercial walk-in cooler box is backed by a 10-year panel warranty and a 1-year parts warranty on doors, providing long-term reliability and consistent cooling performance.
