- Multi Bin System**
 Includes 10 clip-in bins in multiple capacities for organized ingredient storage and handling.
- Warranty Coverage**
 It includes a 90-day limited warranty by the manufacturer.

PRODUCT OVERVIEW

The ChefPro Series Ingredient Bin Shelving Kit is designed for commercial kitchen ingredient storage in restaurants, bakeries, and food preparation areas. Constructed from chrome-plated metal with a green epoxy finish, the freestanding unit includes a mobile shelving system with four posts and caster-mounted mobility. The structure supports organized ingredient handling in all commercial environments.

The shelving kit measures 48" (L) x 18" (W) x 70" (H). It includes four horizontal shelves with a total capacity of 2,400 lbs and 600 lbs capacity per shelf. The assembly-required system includes 10 clip-in shelf bins for ingredient storage and portioning tasks within commercial kitchen operations.

The unit is designed with First In First Out (FIFO) functionality for ingredient rotation. The bins include a mix of sizes: five 40-cup bins, three 100-cup bins, and two 200-cup bins. Each bin includes a dedicated measuring scoop and clear lockable lid for ingredient visibility and controlled access.

This ingredient bin shelving kit is NSF Certified and designed for use in all environments. It includes four 5-inch casters for mobility within commercial kitchen storage areas. The unit includes a 90-day limited warranty by the manufacturer.
