SPECIAL FEATURES

- Spacious Capacity**
 21 cubic feet storage with room for 3 kegs supports high-volume beverage service.
- Reliable Cooling**
 3/7 HP compressor with R290 refrigerant maintains a consistent 33°F to 40°F range.
- Controlled Access**
 Keyed lock restricts entry to safeguard stored kegs and beverages.
- Bright Interior**
 LED lighting enhances visibility for quick access to contents.
- Efficient Dispensing**
 Two beer towers allow quick and convenient beverage service.
- Durable Build**
 Vinyl-coated steel exterior with a black finish and stainless steel top, interior walls, floor, and ceiling provide durability and resistance to daily commercial wear.
- Secure Doors**
 Two solid swing doors with a self-closing feature help retain cold air.
- Flexible Shelving**
 Four PVC-coated shelves allow customized arrangement for additional storage needs.
- Easy Mobility**
 Four heavy-duty casters with brakes enable smooth movement and secure placement.
- Certified Safety**
 ETL Listed and ETL Sanitation certified for compliance with commercial standards.

PRODUCT OVERVIEW

The IceVault Series IVBD69 Direct Draw Beer Dispenser is designed for bars, restaurants, and catering setups. With a 21 cb3 capacity and space for 3 kegs, it provides generous cold storage. Built with a stainless steel interior and a black vinyl-coated steel exterior, it combines durability with a clean look.

Two solid swing doors feature a self-closing design for temperature retention, while a keyed lock secures contents when not in use. Measuring 69.1 (W) x 27.8 (D) x 35.6 (H) inches, this dispenser includes two beer towers for serving. Powered by a 3/7 HP compressor using R290 refrigerant, it maintains a temperature range between 33°F and 40°F. The system operates at 115 V, 1 phase, 60 Hz, and 3.5 A with a NEMA 5-15P plug, making it compatible with standard connections.

Interior LED lighting enhances visibility, and four adjustable PVC-coated shelves provide flexible organization. Heavy-duty casters with brakes make it easy to move and secure in place when required. Certified ETL Listed and ETL Sanitation Listed, it meets foodservice standards for safety and sanitation.

This commercial dispenser is backed with a 1-year parts and labor warranty along with a 1-year compressor warranty, supporting consistent daily use in commercial environments.
