SPECIAL FEATURES

- ✓ **Steady Ice Supply**

Produces up to 80 lb of cube ice in 24 hours for consistent availability during busy commercial operations.
- ✓ **Versatile Ice Options**

Adjustable settings allow selection of different cube sizes for various beverage or service needs.
- ✓ **Durable Construction**

Stainless steel design resists corrosion and ensures long-lasting use in demanding commercial environments.
- ✓ **Certified Energy Efficiency**

DOE Certified for energy-efficient performance and commercial safety compliance.
- ✓ **Built-In Storage**

Integrated bin holds 30 lb of ice, providing quick and easy access during peak hours.
- ✓ **Reliable Cooling Performance**

Air-cooled condenser with R-290 refrigerant provides consistent and efficient operation.
- ✓ **Hygienic Maintenance**

Auto self-cleaning function reduces manual upkeep, supporting smooth and safe operation.
- ✓ **Warranty Assurance**

Backed by a 1-year manufacturer warranty for dependable performance.

PRODUCT OVERVIEW

The ChillCore Series CCUIM100 is an undercounter ice machine with bin designed for bars, restaurants, and commercial kitchens needing reliable cube ice production. Compact design and dependable performance make it a practical choice for those searching for an ice maker machine near me. Built from durable stainless steel, this unit produces up to 80lb of cube ice in 24 hours and stores up to 30 lb in its integrated bin.

This unit features air-cooled condenser and R-290 refrigerant that provides efficient, consistent cooling performance. Operating on 115 V and 60 Hz power, it features adjustable ice sizes, auto self-cleaning, and DOE certification for commercial safety compliance.

Measuring 15 in (W) × 21 in (D) × 33 in (H), this commercial ice maker offers easy undercounter installation and dependable operation. Backed by a 1-year warranty, it delivers high performance with minimal maintenance.
