- ✓ **Lightweight Build**
8.45 lb weight supports handling and installation in commercial kitchen setups.
- ✓ **Warranty Coverage**
Includes a 90-day warranty by the manufacturer for commercial kitchen use.

PRODUCT OVERVIEW

The ChefPro Series wall mounted shelf is designed for restaurants and commercial kitchen prep areas requiring compact elevated storage. It is constructed from stainless steel with a silver finish and measures 24" (L) x 12" (W) x 1.5" (H), supporting placement of kitchen tools and supplies. The 18 gauge construction supports routine use in food handling environments.

The unit features a single shelf design, providing a flat surface for organizing containers, utensils, and prep items in commercial kitchen workflows. The stainless steel material supports use in food-related areas with regular cleaning and maintenance.

This shelf is NSF certified, aligning with sanitation standards required for commercial kitchen operations. It weighs 8.45 lb, supporting wall-mounted installation in prep or storage areas.

This unit is categorized as a wall mounted shelf for organized storage in commercial kitchen setups. It includes a 90-day warranty by the manufacturer.
