 360° deep freeze technology with wrap-around compressor cooling supports uniform internal temperature distribution.
- Maintenance Design**
 Built-in defrost drain and manual defrost system support routine cleaning and drainage handling in commercial use.
- Adjustable Control**
 Adjustable mechanical thermostat supports convertible freezer and refrigerator temperature operation from -11.2°F to 46.4°F.
- Secure Access**
 Top open lid with lock system and lid opening angles of 45° and 75° supports controlled food storage access.
- Certified Build**
 cETLus Listed, ETL Sanitation Listed, CSA Listed, DOE Compliant, Energy Star Certified with 2 years parts & labor and 6 years compressor warranty.

PRODUCT OVERVIEW

Platinum Frost Series Chest Freezer by PFCF is a commercial chest freezer ideal for restaurants, grocery stores, food trucks, garages, stores, and home-based food storage setups. It is built with a 20 cubic feet storage capacity for bulk frozen food handling in commercial kitchen and retail environments.

The unit features a 76" (L) x 26.4" (W) x 32.5" (H) external dimension with freestanding installation design. The coated steel exterior supports commercial usage environments, while the aluminum liner interior supports structured cold storage. The white color finish aligns with standard food service equipment aesthetics.

It operates with an adjustable mechanical thermostat with convertible functionality between freezer and refrigerator modes, offering a temperature range of -11.2°F to 46.4°F. The compressor system uses wrap-around cooling technology along with 360° deep freeze design for uniform internal cooling performance in food storage applications.

The chest freezer includes a top open lid design with solid lid structure, lid opening angles of 45° and 75°, integrated lid handle, and a lock system. LED interior lighting supports internal visibility. It includes a manual defrost system and built-in defrost drain for maintenance handling in commercial kitchen environments. It includes a 2 years parts & labor warranty and 6 years compressor warranty by the manufacturer.
