WARRANTY
1 Year Limited Warranty

SPECIAL FEATURES

- Swivel Spout**
 The swivel spout supports flexible water direction in commercial kitchen and foodservice operations.
- Certified Faucet**
 ASME A112.18.1 / CSA B125.1 and NSF/ANSI 372 certifications are included for compliance with commercial plumbing and lead-free standards.
- Warranty Coverage**
 It includes a 1-year warranty by the manufacturer, as specified.
- Dual Handle Control**
 Double handle levers with Eterna compression cartridges provide listed water flow and temperature management.
- Adjustable Installation**
 Adjustable wall centers (7-3/4" – 8-1/4") and included lock washer support listed installation requirements.

PRODUCT OVERVIEW

The ChefPro Series Double Handle Pantry Faucet (Wall Mount) is a brass faucet designed for chefs and staff in commercial kitchens, pantries, and foodservice areas. It is constructed from brass material with chrome-plated finish, reflecting the specified durable materials for commercial faucet applications.

The faucet features a swivel spout, supporting flexible water direction in foodservice workflows. It operates with double handle levers, as described in the features for temperature and flow control. The unit includes Eterna compression cartridges, reflecting the valve type provided for water flow regulation. It is designed for 8 in faucet centers, supporting standard wall-mounted installations.

The faucet includes adjustable wall centers fitting 7-3/4" – 8-1/4", a stream regulator outlet, and a lock washer, as listed in the included items. It operates within a temperature range of 40 °F to 140 °F, indicating the stated operational limits for commercial kitchen use.

The handle type is chrome-plated metal, supporting durability in commercial kitchen environments. It features a tubular swing nozzle, as described in the features for flexible operation. The unit weighs 5.66 lb, reflecting the specified product weight for installation considerations. Overall dimensions measure 12.88" (W), supporting placement in wall-mounted pantry applications.
