SPECIAL FEATURES

- Large Capacity**
 The 20.9 cubic foot interior provides ample refrigerated space for ingredient storage across a busy pizza or sandwich prep line.
- Stay-Open Doors**
 The two self-closing doors include a 90-degree stay-open feature, allowing chefs to work hands-free during active food preparation.
- ETL Certified**
 The unit carries both ETL Listed and ETL Sanitation Listed certifications, meeting recognized safety and sanitation standards required for commercial kitchen equipment.
- Stainless Construction**
 Both the exterior and interior are constructed from stainless steel, supporting durability and hygienic food handling in commercial kitchen environments.
- EC Fan Motor**
 An EC fan motor delivers efficient, consistent airflow throughout the cabinet to help maintain stable temperatures across the full 33°F to 41°F range.
- Mobile on Casters**
 Four casters are included with the unit, making it easy to reposition the prep table for cleaning or kitchen layout adjustments.

PRODUCT OVERVIEW

The Frigomax Series 67" Pizza Prep Table is a refrigerated prep station designed for commercial kitchens, pizzerias, and restaurants that require consistent cold storage and accessible ingredient management during high-volume service.

Built with a stainless steel exterior and stainless steel interior, this prep table measures 32 5/16" (L) x 67" (W) x 42 1/16" (H) and offers 20.9 cubic feet of refrigerated capacity. The unit operates on a single-phase, 115V/60Hz power supply drawing 2.9 amperes, and is powered by a 1/3 horsepower compressor. It plugs into a standard NEMA 5-15P outlet, making installation straightforward in most commercial kitchen environments.

The two self-closing doors feature a 90-degree stay-open function for hands-free access during food handling. Electronic controls allow kitchen staff to set and monitor the temperature range of 33°F to 41°F with precision. An EC fan motor supports consistent airflow throughout the cabinet. The unit includes two adjustable heavy-duty epoxy coated shelves inside the cabinet, and compatible cutting boards and pans are available separately to complete the prep station setup.

Four casters are included, providing mobility for repositioning during cleaning or kitchen reconfiguration. The Frigomax Series Pizza Prep Table carries ETL Listed and ETL Sanitation Listed certifications, confirming it meets recognized safety and food safety standards for commercial kitchen use. This unit is covered by a 1 Year Warranty.
