SPECIAL FEATURES

- ✔ **Adjustable Shelves**
Two adjustable shelves allow organized storage of frozen ingredients or products.
- ✔ **Freezing System**
Bottom-mounted 1/2 HP compressor with 950 W power and R290 refrigerant maintains temperatures from 0°F to -8°F for commercial frozen storage.
- ✔ **Digital Controls**
LED display allows clear monitoring and precise temperature adjustments.
- ✔ **Certified Safety**
ETL Listed and ETL Sanitation Listed, ensuring compliance with commercial safety and sanitation standards.
- ✔ **Power Connection**
9 ft power cord with NEMA 5-15P plug provides standard electrical setup for commercial kitchens.
- ✔ **Solid Door Access**
Swing-style solid doors provide easy access while keeping items contained.
- ✔ **Auto Defrost**
Reduces ice buildup, minimizing manual defrosting and maintenance.
- ✔ **Caster Mobility**
Four 5 in swivel casters with locks allow the unit to be moved and secured in place.
- ✔ **Warranty Coverage**
6 months parts and labor and 6 months compressor protection.

PRODUCT OVERVIEW

The CoolEdge Series CEUF60 commercial undercounter freezer is a 2-door stainless steel unit designed for commercial kitchens and foodservice environments. Measuring 60.12 in (W) x 31.5 in (D) x 36 in (H), it includes two adjustable shelves inside and solid swing-style doors for secure product access.

A bottom-mounted 1/2 HP compressor with 950 W power uses R290 refrigerant to maintain a temperature range of 0°F to -8°F. The unit operates on 115 V, 60 Hz, single-phase power at 8 A through a NEMA 5-15P plug with a 9 ft power cord. Auto defrost helps reduce ice buildup and simplifies maintenance.

Digital controls with an LED display provide precise temperature management. The solid door design supports safe storage, while the undercounter structure allows integration into kitchen layouts easily.

For mobility, the freezer is equipped with four 5 in swivel casters with locks for easy repositioning and secure placement. Certified ETL Listed and ETL Sanitation, it meets commercial safety and sanitation standards. Warranty coverage includes 6 months parts and labor and 6 months compressor protection.
