- High-Quality Build**
 Stainless steel interior with metal exterior offers long-lasting strength and resistance to wear.
- Certified for Safety**
 ETL Listed and ETL Sanitation Listed, meeting commercial kitchen compliance standards.

PRODUCT OVERVIEW

The ChillCore Series CCRR54 Reach-In Refrigerator is a reliable cold storage solution designed for commercial foodservice, hospitality, and catering operations. Built with a stainless steel interior and a metal exterior in a silver finish, this commercial refrigerator offers long-lasting performance. It is designed for freestanding installation and features a 41.9 cu. ft. capacity to provide generous storage for perishable goods.

The two solid swing doors with left/right hinge configuration have a keyed lock for both security and reliability for daily use. This commercial reach-in refrigerator is powered by 115V, 60 Hz, single-phase electricity with a NEMA 5-15P plug for quick installation. It features digital controls for precise temperature management between 33°F and 40°F. The unit operates on R-290 refrigerant, delivering efficient cooling performance.

Inside, six adjustable PVC-coated wire shelves provide flexible storage, supported by LED interior lighting for clear product visibility. The unit measures 54 in (W) x 32.09 in (D) x 81.3 in (H) and comes equipped with four casters that allow smooth mobility. This refrigerator is ETL Listed and ETL Sanitation Listed for compliance with safety standards and is backed by a 6-month warranty.
