# PRODUCT OVERVIEW

The ProKitchen Series planetary stand mixer is a countertop electric mixer for commercial kitchens, bakeries, restaurants, and food preparation areas. Its silver aluminum housing measures 20" (L) x 21.5" (D) x 30.5" (H). Rubber feet are included with the mixer.

The mixer has one 28 qt stainless steel bowl. Included attachments are a wire whisk, dough hook, and flat beater. A wire bowl safety guard and manual bowl lift control are listed features.

The unit has a 2 HP motor with a gear-driven transmission. It operates at three speeds: 113, 168, and 400 RPM. The mixer has push-button controls and a #12 hub.

The mixer operates on 110 V, 60 Hz, and 1 phase electric power with a NEMA 5-15P plug and 72 in power cord. It is cETLus Listed, ETL Sanitation Listed, and NSF Sanitation Standard Certified. It includes a 1-year warranty by the manufacturer.
