SPECIAL FEATURES

- ✓ **Bright Interior Lighting**
LED illumination enhances visibility of stored products.
- ✓ **Smooth Mobility**
Six swivel casters, including three with brakes, allow movement and secure positioning.
- ✓ **Certified Assurance**
ETL Listed and DOE Certified for safety and energy compliance.
- ✓ **Durable Construction**
Stainless steel exterior and interior resist corrosion and support daily commercial use.
- ✓ **Convenient Maintenance**
Auto-defrost function minimizes frost buildup and cleaning time.

PRODUCT OVERVIEW

The ChillCore Series CCRR82 is a heavy-duty reach-in fridge ideal for commercial kitchens, restaurants, and catering facilities needing large-scale refrigerated storage. This freestanding unit offers a 72 cubic feet capacity with 12 adjustable shelves across 3 sections, providing organized storage for bulk ingredients or prepared food. It features 3 solid swing doors for easy access.

Constructed from durable stainless steel, it features a bottom-mounted compressor using R-290 refrigerant for consistent cooling. This commercial reach-in fridge features digital temperature control that maintains temperatures between 33°F to 41°F. It comes with auto defrost function that remove ice buildup easily and LED lighting for clear interior visibility.

This unit runs on 110V with 368 W at 60 Hz for effective cooling performance. It features a magnetic door gasket that provides a tight seal, while the door alarm adds safety and convenience. The unit has an overall dimensions of 72.8 in (W) × 31.5 in (D) × 82.6 in (H), ideal to be fitted into tight commercial places.

The refrigerator includes 6 swivel casters, 3 with brakes, for easy mobility. DOE Certified and ETL Listed, this refrigerator comes with a keyed lock and a 1-year warranty for reliable commercial performance.
