SPECIAL FEATURES

- High Storage Capacity**
 Spacious 7.4 cu. ft. interior accommodates 192 cans or 84 bottles, maximizing beverage storage in a compact footprint.
- Professional Certification**
 ETL, cETLus, DOE, and ETL Sanitation certifications ensure compliance with industry safety and performance standards.
- Versatile Installation Options**
 Front-breathing compressor design enables both freestanding and undercounter installation for flexible placement.
- Organized Storage**
 Four adjustable shelves allow efficient organization and customizable storage configurations.
- Convenient Power Setup**
 8-foot power cord with NEMA 5-15P plug operates on standard 110V, 60Hz power supply.
- Energy Efficient Cooling**
 120W compressor with R-290 refrigerant maintains optimal temperature range of 33°F to 41°F while minimizing energy consumption.
- Warranty Protection**
 Comprehensive 1-year warranty coverage for reliability.
- Enhanced Product Visibility**
 Dual swing glass doors with LED lighting provide clear viewing and easy access to stored beverages.
- Commercial Grade Construction**
 Durable stainless steel and aluminum construction with sleek silver finish ensures long-lasting performance.
- Space-Saving Design**
 Compact 36"W x 21"D x 33"H dimensions fit perfectly under counters while maximizing storage capacity.

PRODUCT OVERVIEW

BBC-215SH Back Bar Cooler is a compact, high-efficiency commercial unit, perfect for bars, cafés, and countertop use. Constructed from stainless steel and aluminum in a sleek silver finish, it offers a 7.4 cu. ft. capacity, storing up to 192 cans or 84 bottles with ease.

This freestanding, counter-height cooler features 2 swing glass doors with LED lighting for clear product visibility, and 4 shelves for organized storage. It operates between 33°F to 41°F, powered by an energy-efficient 120 W compressor with R-290 refrigerant, and runs on 110 V, 60 Hz, 1 phase via an 8 ft power cord with a NEMA 5-15P plug.

The front-breathing compressor design allows for easy undercounter installation, while the left/right door hinges and swing door style ensure convenient access. Dimensions are 36" W x 21" D x 33" H, with a standard nominal depth.

Certified by ETL, cETLus, DOE, and ETL Sanitation, the BBC-215SH includes a 1-year warranty, making it a durable, space-saving, and reliable solution for any beverage service setup.
