## PRODUCT OVERVIEW

The ProKitchen Series Oven Stand with Cooling Racks is a commercial kitchen equipment stand designed for bakeries, hotels, and food preparation areas. It is used for supporting compatible convection ovens and organizing sheet pans during cooling and handling processes in commercial kitchen workflows.

The unit is constructed using stainless steel material with a silver finish. It features a 1 1/2" x 1 1/2" tubing frame leg design, providing structural support for oven placement and sheet pan handling in food service environments.

This oven stand has dimensions of 28.87" (L) x 25.62" (W) x 34.62" (H). It supports a pan capacity of 6 full-size sheet pans, making it suitable for organized cooling and staging of baked items in commercial kitchen operations.

It is compatible with Moffat convection ovens and is equipped with casters (3 in size) for mobility within kitchen spaces. The unit is NSF Certified and includes a 1-year manufacturer warranty.
