1 Year Parts & Labor

SPECIAL FEATURES

- High BTU Output**
 Total output of 160,000 BTU/hr with 4 burners rated at 40,000 BTU/hr each supports large-volume cooking in commercial kitchen operations.
- Durable Burner Build**
 Cast iron burners with heavy-duty cast iron grates support structured cooking in restaurant environments.
- Convertible Gas Setup**
 Supports natural gas and propane operation with included regulator and rear gas connection.
- Dual Ring Control**
 Dual controls for inner and outer rings with manual control type support heat adjustment during food preparation.
- Drip Management**
 Full-length seamless drip pan supports collection of residue during cooking operations.
- Certified & Warranty**
 CSA sanitation listed, NSF certified, and cCSAus listed, and it includes a 1-year parts & labor warranty by the manufacturer.

PRODUCT OVERVIEW

The KitchenCore Series Stock Pot Range is designed for chefs and restaurant operations handling large-volume cooking in a commercial kitchen. It features stainless steel construction with a silver finish and stainless steel front valve cover, supporting structured cooking environments. The unit includes 4 burners with a three-ring burner design, operating on gas power with convertible natural gas and propane configuration.

This stock pot range delivers 40,000 BTU/hr per burner with a total output of 160,000 BTU/hr. It includes dual controls for inner and outer rings with manual control type. The unit includes a regulator and supports gas connection through a 3/4" NPT rear connection. Burner material is cast iron with heavy-duty cast iron grates.

The unit measures 18" (W) x 52.25" (D) x 22.62" (H) and is designed for freestanding installation. It includes stainless steel legs for support. Additional features include a full-length seamless drip pan and stainless steel tubing pilot with continuous pilot protection.

It is certified with CSA Sanitation, NSF, and cCSAus listings, supporting commercial kitchen standards. The unit supports container capacity of 132 (40HQ). It includes a 1-year parts & labor warranty by the manufacturer.
