SPECIAL FEATURES

- Spacious Frozen Storage**
 17.2 cu. ft. storage capacity accommodates large quantities of frozen goods.
- Sturdy Interior**
 304 stainless steel interior for long-lasting performance and easy cleaning.
- Easy Maintenance**
 Auto-defrost function reduces ice buildup and lowers cleaning efforts.
- Secure Storage**
 Keyed lock protects valuable ingredients and prevents unauthorized access.
- Flexible Organization**
 3 adjustable PVC-coated wire shelves provide customizable storage for different sized items.
- Precise Temperature Control**
 Digital control system maintains temperatures from -8°F to 0°F.
- Enhanced Visibility**
 LED interior lighting makes it easy to locate and access frozen items quickly.
- Smooth Mobility**
 Four casters allow easy repositioning for cleaning or kitchen layout adjustments.

PRODUCT OVERVIEW

The ChillCore Series CDRF27 Reach-In Freezer is a commercial-grade freezer ideal for restaurants, catering operations, and commercial kitchens. Built from metal with a silver finish, this freestanding unit features a single solid right-hinged swing door and 17.2 cu. ft. storage capacity to accommodate large quantities of frozen goods. The interior is constructed with 304 stainless steel, and it includes 3 adjustable PVC-coated wire shelves for flexible organization.

This commercial reach-in freezer operates on 115 V, 60 Hz, single-phase power with R-290 refrigerant and a digital control system to maintain precise temperatures from -8°F to 0°F. The auto-defrost function offers minimal maintenance. LED lighting illuminates the interior for easy access to stored items, and the keyed lock secures valuable ingredients. Equipped with a NEMA 5-15P plug, it is ready for immediate installation.

Measuring 27" W x 32.09" D x 81.3" H, this freezer comes with 4 casters for mobility and easy placement. Certified as ETL Listed and ETL Sanitation Listed, this freezer meets food safety standards. It includes a 6-month warranty for reliable use.
