APPARTAMENTO

Rocket craftsmanship, perfectly sized for your space.

The evolution of our most recognisable compact espresso machine. While staying true to its iconic design, the Appartamento introduces a series of upgrades designed to elevate performance and usability and launches with a range of six colour options to suit every kitchen bench.

With a deeper drip tray for larger cups, RGB LED indicators for clear visual feedback and an improved internal structure for long-term reliability, the Appartamento brings refined functionality to a beloved classic.
