An integrated scoop rail and included scoop support ingredient handling during food preparation.

✓ **Warranty Included**
It includes a 1-year limited warranty by the manufacturer.

PRODUCT OVERVIEW

The ProKitchen Series Mobile Ingredient Storage Bin is designed for commercial kitchens, bakeries, cafés, and food service operations requiring storage and transport of dry bulk ingredients. Constructed from plastic with a white finish, it is suitable for storing sugar, flour, rice, cereals, and other dry food ingredients used in daily food preparation.

The bin features a 22-gallon capacity with storage for up to 540 cups of ingredients, supporting bulk ingredient management in commercial kitchen environments. Its mobile design allows ingredients to be positioned near preparation areas as needed.

A clear sliding lid with drawer-type cover provides visibility of stored contents while allowing access during food preparation. The integrated scoop rail and included scoop support ingredient handling and portioning workflows in commercial kitchens.

The unit is equipped with four 3-inch casters for mobility between storage and prep areas. It measures 12.9" (L) x 29.5" (D) x 29.3" (H) and is NSF Certified for commercial kitchen applications. It includes a 1-year limited warranty by the manufacturer.
