SPECIAL FEATURES

- ✓ **Ample Capacity**
5.3 cu. ft. holds up to 113 bottles or 180 cans for organized storage.
- ✓ **Flexible Shelving**
Three wire shelves are adjustable to accommodate different bottle and can sizes.
- ✓ **Bright Interior**
LED lighting enhances visibility of stored items for quick access.
- ✓ **Efficient Ventilation**
Front-vented design supports airflow, making installation under counters simpler.
- ✓ **Clear Visibility**
Glass door provides a transparent view of contents for easy inventory checks.
- ✓ **Precise Cooling**
Digital control keeps beverages between 33°F and 65°F.
- ✓ **Quiet Operation**
Low-noise design allows the unit to operate unobtrusively in busy areas.
- ✓ **Certified Safe**
ETL Sanitation, DOE, and NSF approvals confirm compliance with safety and energy standards.

PRODUCT OVERVIEW

The ChillCore Series CSBBCG24 Back Bar Cooler is designed for bars, cafés, and service counters that need reliable beverage storage in a compact unit. Constructed with metal and a glass door, it provides durability and visibility while maintaining easy cleaning. With dimensions of 24 (W) x 24 (D) x 34.5 (H) inches, this counter-height cooler fits neatly under counters, offering convenient access without occupying excess space.

The glass door back bar cooler has a 5.3 cu. ft. capacity and can hold up to 113 standard 12 oz. bottles or 180 cans, making it suitable for a variety of beverage types. Three wire shelves are adjustable to accommodate different container sizes, and bottom-mounted compressor operation at 115 V and 60 Hz supports consistent cooling.

Digital temperature control maintains a range of 33°F to 65°F, while LED interior lighting ensures easy visibility of contents. Auto defrost functionality minimizes maintenance needs. Additional features include a fingerprint-resistant exterior and front ventilation, promoting cleaner operation in busy service areas, along with low-noise operation for quieter spaces.

The cooler uses R-600a refrigerant and meets ETL Sanitation, DOE, and NSF certifications for safety and energy compliance. Backed by a 1-year warranty, the ChillCore Series Back Bar Cooler provides efficient, organized, and accessible storage for beverage service.
